

EN 1090 Certificate

Factory Production Control (FPC) – Initial inspection Certificate no. I2015Q11422

According to the EU Directive No. 305/2011 of the European Parliament and the European Council of 9 March 2011 (Construction Products Regulation – CPR) this Certificate applies to the following building product.

Building product	„Load-bearing components and constructions kits for steel structures up to EXC3 (EN 1090-2) as load-bearing construction in all types of buildings“
CE-marking method	ZA.3.2 to ZA.3.4 according to EN 1090-1:2009+A1:2011
Production (cutting-punching-shaping, welding, mechanical joining, corrosion protection)	
of manufacturing plant	Vic Obdam Staalbouw T.a.v. de heer Gino Obdam Braken 14 1713 GC Obdam Netherlands
Confirmation	This Certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the harmonized standard EN 1090-1:2009 +A1:2011 under system 2 are applied and that the factory production control fulfills all the prescribed requirements set out above.
Certification body	IFO Institut für Oberflächentechnik GmbH Notified Body NB-Nr. 2458 Alexander-von-Humboldt-Straße 19 73529 Schwäbisch Gmünd
Validity date (Date of first issuance)	23.09.2014
Next surveillance	October 2018
Valid until	This Certificate will remain valid as long as the test methods mentioned in the harmonized standard and/or the requirements of the factory production control for the assessment of the performance of the declared characteristics do not change and the product and the manufacturing conditions in the manufacturing plant are not modified significantly. If the date of surveillance is not kept, the certificate will expire within three months.
